(Introduced by Mayor Corcoran; First Reading 2/16/2021; Second Reading 03/01/2021)

Moved by Abens and seconded by Swenk to adopt T 25-2021.

President DeVries asked for questions or comments.

Councilman Boose stated on the amendment (page 2 section 1) the new section states, "Notice of intent to lien shall be sent by certified mail to the record owner, by regular mail concurrently to the same, or by personal service." Currently, the City of North Ridgeville sends a notice of lien by certified mail and by regular mail. Councilman Boose then explained that in his line of work, it is customary to send the owner certified mail notifying them of the lien so that a record of delivery exists, even if it goes unclaimed.

Councilman Boose specifically asked if it is okay to provide a lien by personal service and is it okay the City of North Ridgeville does not have certified mail.

Law Director Moriarty stated the City of North Ridgeville has compared the decision to utilize personal service with ordinances from neighboring cities. The notice in question is simply putting the resident on notice that a potential lien is coming. The redundancy of sending the same notice by mail, personal services, and then certified mail is costly, and as a result, the City decided to take out attachments and no longer send certified mail, which will save money.

Councilman Boose asked if the personal service would be sure to leave the correspondence with the correct individual(s).

Law Director Moriarty stated the personal service would ensure they are leaving the correspondence with the correct person.

Councilman Boose asked if personal services would get a signature for the correspondence.

Law Director Moriarty stated yes, a signature will be required.

President DeVries asked for questions or comments.

Moved by Mayor Corcoran and seconded by Boose to add the emergency clause in order to move forward to get the necessary procedures in place.
