

- **2013 Fiscal Year:** With the assistance of Pat Hoagland a 2013 capital project list will be submitted to the parks and recreation commission at the end of the current month. Once those projects are received on my end I will move forward with getting this information to the commission. We currently are not in receipt of our 2013 financial worksheets. These documents should be provided to each department on or before the 1st week of February. The appropriation period to present our budgets is tentatively set for the week of February 18.
- **Walking Trail:** Want to update everyone on the walking trail. Emil Liszniansky with Hatch-Mott-MacDonald is the point person concerning the engineering and design of the 1.2 mile trail. Additional paperwork has been submitted concerning the environmental requirements set forth by the state and ODNR. Once approved the FHWA (Federal Highway Administration) will sign off on the project and the state will move forward with encumbering the \$150K for our particular project. The hope is to have the trail project started sometime in late spring. Once the design has been sent I will forward onto the commission for questions and input.

UPCOMING / CONCLUDED PROGRAMS: PROGRAM SUPERVISOR REPORT

Program: Theater Fundamentals with Amanda Shelnutt

Date(s): January 21 – February 25 (6 week program)
