ADMINISTRATORS REPORTS:

A. Mayor: Mayor Corcoran asked that T 25, T 26, T 27, T 28, T 29 and T 30 be adopted with the emergency clause this evening. He stated these are all ordinances providing for the issuance and sale of notes, in anticipation of the issuance of bonds, for major purchases and improvements throughout the city. He stated the Auditor forwarded information to Council earlier this week.

He also asked that T 31 be adopted with the emergency clause. Mayor Corcoran stated the Ohio Public Works Commission contacted the City and asked that the City pass a revision of Resolution No. 1458-2019 using their standard resolution legislation template. The format is slightly different, but conveys the same intent as our previous resolution.

Mayor Corcoran also asked that Council consider passing T 32 and T 35 with the emergency and further stated he would explain why once it was read on the agenda.

As a community member of NOPEC, the City is provided an opportunity to apply for sponsorship program grants to support an organization in the community that hosts events for residents. The City's sponsorship award from NOPEC for 2020 is \$3,500. He noted that this year's funds will be given to North Ridgeville Community Care to support their Soup for the Spirit annual fundraiser.

The National Council for Home Safety & Security released the 2020 safest cities in Ohio report. North Ridgeville ranked #3 as the safest city behind Olmsted Falls and Brecksville. Thank you to the City's safety forces and also to the residents for being vigilant in keeping our community safe. For the complete story and rankings of other communities, visit our City's website at www.nridgeville.org.

On Saturday, February 29 from 10:00 a.m. to 1:00 p.m. in Council Chambers, the Parks & Recreation Department will be conducting a job fair for part-time and seasonal positions to include parks crew, umpires, summer camp director and assistant director, concession manager and concession staff, laborers and site supervisor. For a complete listing of the positions, please visit the Parks & Recreation website at www.nridgeville.org/parksandrec.

B. Safety-Service Director: During the week of January 26th, the Police Department focused on truck detail at Sugar Ridge and Chestnut Ridge. He believed Council has received a report on the detail. The officers were running back and forth rather than just sitting. On the three days, there were five citations for trucks on Sugar Ridge Road; there were three speeding citations for non-trucks; seven warnings given that had deliveries on surrounding streets and advised of alternative routes. On Chestnut Ridge there were two citations for no thru trucks that drove between State Route 83 and Relocated 83 with no deliveries. None of the activity was consistent. Many came off Race Road. The majority of trucks on Sugar Ridge were class three and four. The police will continue their efforts at least one day a month, but there is no consistency. They will continue to enforce the no truck traffic on the mentioned roads.

C. Engineer: Engineer Rodriguez stated the City received its bids for the Ranger Way Project. Tri Mor out of Twinsburg was the apparent low bidder at \$1,263,388.25. It was \$200,000 less than the engineer's estimate.

Center Ridge Road project – water main tie ins will be completed these week and some miscellaneous service connections. The connection over the new bridge in front of St. Peter's will be the last water main work to be completed. Fetchko has begun installing storm sewers on the north side of the road. The good weather is helping work progress.

D. Auditor: Auditor Wilkerson stated there are ordinances before Council for the issuance of sale regarding bond anticipation notes. She noted she will answer any questions they may have through the course of the agenda.

E. Other Reports: President DeVries noted Council received the January 2020 Fire Department Report, the January 2020 Mayor's Court Report and the January 2020 Water Distribution Reports.
